Saket Sankhla

Pre-final year | Government Engineering College Ajmer | Vlsi Enthusiast
Greater Jodhpur Area

Summary

Electronics & Communication Engineering student at Government Engineering College Ajmer, affiliated with Bikaner Technical University. Completed a telecom internship at BSNL, where I gained practical exposure to communication systems. I have a keen interest in VLSI, semiconductor technology, and core electronics, and I'm actively building skills in circuit design, digital systems, and embedded hardware. Open to opportunities that align with my passion for electronics and chip-level innovation.

Experience

Defence Research and Development Laboratory (DRDL) - DRDO
Summer Intern
May 2026 - Present (2 months)
Jodhpur

Maven Silicon
Intern
July 2025 - August 2025 (2 months)
Bengaluru, Karnataka, India

Completed VLSI Design internship covering fundamentals of VLSI and digital design. Built an AHB-to-APB bridge project and implemented it using Xilinx Vivado.

Bharat Sanchar Nigam Limited
Trainee
June 2024 - June 2024 (1 month)
Jodhpur

Learned fundamentals of communication systems and gained exposure to BSNL's telecom infrastructure and operational workflow.

Education

Government Engineering College, Ajmer

Bachelor of Technology - BTech, Electrical, Electronics and Communications
Engineering · (September 2023 - September 2027)

KL University

Bachelor of Technology - BTech, Electrical, Electronics and Communications
Engineering · (July 2023 - September 2023)
